§ 10.37 Extension of time for exportation.

The period of time during which merchandise entered under bond under chapter 98, subchapter XIII, Harmonized Tariff Schedule of the United States (19 U.S.C. 1202), may remain in the customs territory of the United States, may be extended for not more than two further periods of 1 year each, or such shorter period as may be appropriate. Extensions may be granted by the director of the port where the entry was filed upon written application on CBP Form 3173, provided the articles have not been exported or destroyed before the receipt of the application, and liquidated damages have not been assessed under the bond before receipt of the application. Any request for relief from a liquidated damage assessment in excess of a Fines, Penalties, and Forfeitures Officer's delegated authority shall be referred to the Director, Border Security and Trade Compliance Division, Office of International Trade, CBP Headquarters, for disposition. § 10.38 Exportation.

(a) Articles entered under chapter 98, subchapter XIII, Harmonized Tariff Schedule of the United States (HTSUS) (19 U.S.C. 1202) may be exported at the port of entry or at another port. An application on Customs Form 3495 shall be filed in duplicate with the port director a sufficient length of time in advance of exportation to permit the examination and identification of the articles if circumstances warrant such action and, in such event, the applicant shall be notified on a copy of Customs Form 3495 where the articles are to be sent for identification. If a carnet was used for entry purposes, the reexportation voucher of the carnet shall be filed, in addition to Customs Form 3495, and the carnet shall be presented for certification.

(b) All expenses in connection with the delivery of the articles for examination, the cording and sealing of such articles, and their transfer for exportation shall be paid by the parties in interest.

(c) If exportation is to be made at a port other than the one at which the merchandise was entered, the application on Customs Form 3495 shall be filed in triplicate. There shall also be filed with the application a certified copy of the import entry or a certified copy of the invoice used on entry.

(d) If the goods are examined at one port and are to be exported from another port, they shall be forwarded to the port of exportation under a transportation and exportation entry. In such cases Customs Form 3495 shall be filed in triplicate. Articles entered under a carnet shall not be examined elsewhere than at the port from which they are to be exported.

(e) If the articles are to be exported by mail or parcel post, the package containing the articles must be mailed under Customs supervision after examination. Waiver of the right to withdraw the package from the mails shall

be endorsed on each package to be so exported and signed by the exporter.

(f) Whenever the circumstances warrant, and occasionally in any event, port directors shall cause the fact of exportation to be verified by the Office of Enforcement in harmony with the procedures provided for in §§18.7 and 191.61 of this chapter.

(g) Upon the presentation of satisfactory evidence to the director of the port at which samples were entered under subheading 9813.00.20, HTSUS, or professional equipment or tools of trade were entered under subheading 9813.00.50, HTSUS, that such articles cannot be exported for the reason that they have been seized (other than by seizure at the suit of private persons), the requirement of exportation shall be suspended for the duration of the seizure. The articles shall be exported promptly after release from seizure.

§ 10.39 Cancellation of bond charges.

(a) Charges against bonds taken pursuant to Chapter 98, Subchapter XIII, Harmonized Tariff Schedule of the United States, (HTSUS), may be canceled in the manner prescribed in §113.55 of this chapter. A completed re-exportation counterfoil on a carnet establishes that the articles covered by the carnet have been exported, and no claim shall be brought against the guaranteeing association under the carnet for failure to export, except under the provisions of §114.26 of this chapter. In the case of articles entered under subheading 9813.00.30, HTSUS, which are destroyed because of their use for the purposes of importation, the bond charge shall not be canceled unless there is submitted to the port director a certificate of the importer that the articles were destroyed during the course of a specifically described use, and the port director is satisfied that the articles were so destroyed as articles of commerce within the period of time during which the articles may remain in the Customs territory of the United States under bond (including

any lawful extension). Bonds covering articles entered under other provisions of law shall not be canceled upon proof of destruction, except as provided for in paragraph (c) of this section, unless the articles are destroyed under Customs supervision in accordance with section 557, Tariff Act of 1930, as amended, and §158.43 of this chapter.

(b) Where exportation has been made at a port other than the port of entry, the bond may be canceled upon the certificate of lading received from the port of exportation, showing that such exportation was made within the period of time during which the articles may remain in the Customs territory of the United States under bond. In addition, the port director may require the production of a landing certificate signed by a revenue officer of the country to which the merchandise is exported.

(c) When articles entered temporarily free of duty under bond are destroyed within the bond period by death, accidental fire, or other casualty, petition for relief from liability under the bond shall be made to the United States Customs Service. The petition shall be accompanied by a statement of the importer, or other person having knowledge of the facts, setting forth the circumstances of the destruction of the articles.

(d)(1) If any article entered under Chapter 98, subchapter XIII, HTSUS, except those entered under a carnet, has not been exported or destroyed in accordance with the regulations in this part within the period of time during which the articles may remain in the Customs territory of the United States under bond (including any lawful extension), the Fines, Penalties, and Forfeitures Officer shall make a demand in writing under the bond for the payment of liquidated damages equal to double the estimated duties applicable to such entry, unless a different amount is prescribed by §10.31(f). The demand shall include a statement that a written petition for relief from the payment of the full liquidated damages may be filed with the Fines, Penalties, and Forfeitures Officer within 60 days
